Dear Sir/Madam,

With regard to the Abandonment/Termination Letter, Confirmation No. 7347, dated 10/27/2005 related to the application 10/727,584

We would like to bring to your attention the following facts:

As requested in the Notice of Incomplete reply, dated 12/01/2004, we have submitted the \$65 Late Oath or Declaration Surcharge. The fee has been withdrawn, as detailed in the credit card bill on January 12, 2005. We considered this to be timely reply to your letter dated 12/01/2004 and that would prevent the abandonment of the application.

We have not heard from the office after the \$65 fee has been withdrawn and we believed that our letter exposing the reasons for the delay was accepted, therefore the fee acceptance means that our application is being analyzed.

Getting no reply from the Office, after the fee has been withdrawn, it is only after we phoned the Office that we were told that our application has been abandoned.

Given the facts described above and that we acted in good will, please reevaluate the letters and documents submitted to the Office. It is our hope that our application will be sent for examination.

Respectfully,
Marian Gavrilă

If you find an error in this statement you must tell us within 30 days after the statement date. If you do not, the statement will be regarded as final (except for improper credits). The statement date is the closing date of the statement period shown on the front.

How we apply your payments

We apply your payments to your Select VISA account in the following order: (a) interest, (b) fees (shown as "Other Charges" on this statement); (c) Previously Billed items in the following order: (i) Balance Transfers, (ii) Cash Advances, (iii) Purchase Promotions, (iv) Purchases (d) items on this statement in the same order as Previously Billed items. Credit balances are applied to Unbilled items in the order in which they are posted. Within each category of items referred to in (c) and (d) where there are multiple transactions, the payment will be applied to those items which bear interest at the lowest rate first.

How we charge interest
To calculate interest, the daily interest rate displayed on the front of this statement is multiplied by the interest-bearing balance at the end of each day.

If there are different daily rates, each rate is multiplied by the portion of the interest-bearing balance to which it applies.

a) On purchases: No interest is charged on a new purchase if you pay your new balance in full by the payment due date. If you make only a partial payment, then we charge interest retroactively on purchases from the transaction date until you pay all of your new balance and the interest.

b) On cash advances (including CIBC Convenience

Cheques and balance transfers): We charge interest on a cash advance from the day you receive the advance until you make a payment which covers the amount of the advance and the interest charged on that advance. We charge interest on a CIBC Convenience Cheque or balance transfer from the date we post it to your Select VISA account until you make a payment which covers the amount of the cheque or balance transfer and the interest charged on that cheque or balance transfer.

Minimum payment due

Your current amount due is 3% of your new balance or \$10, whichever is greater. This amount must be paid by the payment due date.

Available credit

This section shows the credit you had available at the end of the statement period, and does not reflect transactions you've made since this statement was issued.

**Denotes transaction in foreign currency. You have been charged the same conversion rate CIBC is required to pay, plus an administration fee of 2.5% of the converted amount. This fee applies to both debits and credits.
